

# 6 Biggest Steps to Take for financial freedom

Want to know the overarching secret to getting to FI?

Have you asked yourself why you want FI? That's the first question you must answer, as it will provide the motivation behind the framework below. Seriously, close your eyes and dream about it, how will you spend your time?

## Plant the FI Tree

1

Mark your numbers. What's your net income, your expenses, and your net worth?

2

Get your FU money in place (aka juicy emergency fund)

3

Pay off debts, starting with the highest APR first.

## Let it Grow!

Set up auto savings - give every dollar a "job"

Get your 401k match, open an IRA and max it out

Start investing "extra money in a brokerage account" via raises/side hustles
